Golf Tournament Hole Sponsor Form

Contacts:	Your Name
	Your Email
	Your Phone

The cost of a hole sponsorship is $100. NTCFS will prepare a 2' x 2' sign to be placed near the tee box on one of the golf holes. The sponsor can name their business or give a message on the sign. There may be multiple sponsors per hole.

To increase name recognition of our hole sponsors, we have a hole sponsor drawing at the end of the tournament. In order to enter the drawing, each golfer must write down the name of every sponsor. Your sign will be seen by many people.

In the space below, please write the accurate message for your hole sponsorship sign. Longer messages will result in smaller letters used. Text only – we are not able print graphics

Attest: Please check the text of your message one more time. The sponsorship sign will be created exactly as it appears in the box above.
